Re:Foundation for a Greater America, Inc.
Response to Letter Dated 8/29/16 for the Period 1/1/15-6/30/15
FEC #: C00555862

We write in response to your letter of August 29, 2016, regarding the Committee?s 2015 Amended Mid-Year Report.

First, the letter asks why the amended report shows an increase in disbursements. The majority of this change is due to the fact that, on the original report, the Committee reported loan repayments made (disbursements) as loan payments received (receipts). The amended report corrected this error.

Second, the letter notes that the Committee identified a payment on line 26 that was not identified on Schedule C. The Committee will amend its report to show this payment on Schedule C.

Third, the Committee will amend its report to identify the correct interest rate on the loans from CrossClick Media, Inc. and Judson A. Church. These had been reflected correctly on the initial report filed, but due to a software error they appeared on the report incorrectly. We are attempting to amend for the interest rate again so that the interest can be reflected accurately.

Please do not hesitate to contact the Committee should you have any questions.
